

# Access Control Vulnerabilities And Privilege Escalation Lab – 11

## Insecure direct object references

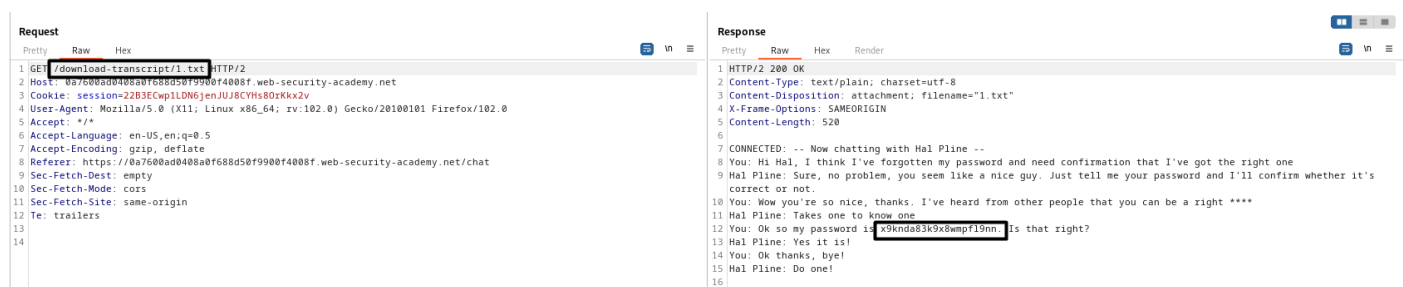

M.Gobi Shankar  
CB.SC.P2CYS23019

### Finding The Password For The User Carlos, And Logging Into Their Account.

Select the **Live chat** tab. Send a message and then select **View transcript**. Review the URL and observe that the transcripts are text files assigned a filename containing an incrementing number.

Change the filename to `1.txt` and review the text. Notice a password within the chat transcript.

Return to the main lab page and log in using the stolen credentials.
